

thanX

For more than 2 decades **thanX** has been a top-class fixed point in the Austrian rock and blues scene. Live, frontman **Gerald Strasser** (vocals, guitar), **Herbert Felber** (guitar, backing vocals), **Helmut Zetting** (bass) and **Miran Celec** (drums) perform their authentic songs with unbelievable energy, sensitivity and dynamics, which inevitably captivate and carry away the audience - whether at club concerts, company events or open airs.

For more than 2 decades **thanX** has been a top-class fixture in the Austrian rock and blues scene and is represented with several songs on various radio stations.

The album "**Acoustic**", released in autumn 2022, is the 11th album of **thanX**.

All titles are exclusively original compositions, which reflect the diversity of the Styrian-Slovenian band.

thanX - musical enjoyment at the highest level
